THE SPIRIT OF GIVING

Dear Alumnus and Alumna,

Warm greetings from UTAR.

Congratulations to you and your family on the successful completion of your studies and graduation. We are truly proud to celebrate this significant milestone with you, your family, and all UTARians.

This letter is to invite all our graduates to offer their voluntary support by contributing to the UTAR Education Foundation. Your generous contributions will help fund the education of UTAR students, benefiting the entire university community.

As a private, not-for-profit university, UTAR depends on the generosity of donors and the public to support the UTAR Education Foundation through charitable contributions. These donations fund the university's teaching, learning, and research initiatives, fostering excellence and ultimately enhancing the quality of education at UTAR.

Most importantly, it provides vital financial assistance and scholarships to enable many students to pursue their tertiary education at UTAR. Additionally, the foundation supports a wide range of student and campus activities, fostering a well-rounded education and creating a vibrant learning environment.

UTAR is committed to ensuring that students graduate not only with quality education and industry-relevant knowledge but also with the essential soft skills and personal qualities that enhance their employability. To achieve this, a variety of soft skills programs and activities are organized throughout the year to support students' holistic development.

To ensure that UTAR continues to fulfill its educational mission and vision for students and graduates, the university requires additional support from its alumni. Contributions, including monetary donations, are vital for securing the future of current students, sustaining university initiatives, and providing financial assistance to generations of students to come. If you wish to contribute, please visit <https://portal.utar.edu.my/uef/>.

Lastly, I would like to express my sincere gratitude for your support and contributions. UTAR deeply appreciates your generosity and commitment.

I wish you all good health, happiness, and continued successes in all of your endeavours. Thank you.

With warm regards,

Ir Prof Dato' Dr Ewe Hong Tat
UTAR President
